On Sunday, March 1, 2015 two of our youth came forward to make a statement of faith in Jesus as the Christ and to join the church and/or to request Baptism:

Anthony Martinez came forward to re-dedicate his life to Christ (or to re-affirm his decision to be a Disciple of Christ) AND to express a desire to join West Side Christian Church. Anthony is the son of AJ and Christie Wells. Anthony had been baptized a little while back at West Side and that time had decided NOT to join the church yet as he had wanted to study faith and the church some more. On Sunday, March 1, 2015 he came forward and he is now ready to join the church. We welcome him as a new member in our midst!

Evelyn Bley came forward to express her faith in Jesus as the Christ as her personal Lord and Savior. Evelyn wants to follow Jesus as a Disciple of Christ. Evelyn would like to join the church and requested to join West Side Christian Church through the mode of Baptism. Evelyn is the grand-daughter of Debbie Trevino. We will plan a Baptismal service for **Evelyn Bley** and for **Daniel Mills** sometimes in April or May 2015.

Reverend Scharf will be in dialogue with Evelyn and Daniel's families and with church Elders to plan a baptismal service for April or May 2015.
